EBSTER'S UNABRIDGED

A so-called "Webster's Unabridged Dictionary" is being offered to the public at a very low price. The body of the book, from A. to Z, is a cheap reprint, page for page, of the edition of 1847, which was in its day, a valuable book, but in the progress of language for over FORTY YEARS, has been completely superseded. It is now reproduced, broken type, errora and all, by photo-lithograph process, is printed on cheap paper and flimsily bound. A brief comparison, page by page, between the reprint and the latest and enlarged edition, will show the great superiority of the latter. These reprints are as out of date as a last year's almanac. No honorable dealer will allow the buyer of such to suppose that he is getting the Webster which to-day is accepted as the Standard and THE BEST,—every copy of which and THE BEST,—every copy of which bears our imprint as given below. If persons who have been induced to purchase the "Ancient Edition" by an misrepresentations will advise us of the facts, we will undertake to see that the eller is punished as he deserves. G. & C.
